1.If your industrial life insurance or funeral benefit policies contain provisions which exclude or limit the payment of death or funeral benefits because death is caused in any specified manner, or occurs while the insured has a specified status, *except* those listed below, then it will be necessary that you amend such policies before they are issued.

2. Provisions excluding or restricting coverage in the event of death occurring:

- a. as a result of war, declared or undeclared, under conditions specified in the policy;
- b. while in:
 - i. the military, naval or air forces of any country at war, declared or undeclared;
 - ii.any ambulance, medical, hospital, or civilian non-combatants unit serving with such forces, either while serving with or within six months after termination of service in such forces or units;

- d. as a result of aviation under conditions specified in the policy;
- e. within two years from date of issue of the policy as a result of a specified hazardous occupation or occupations, or while the insured is residing in a specified foreign country or countries.

3. In the event of death to which there is an exclusion or restriction pursuant to 5701.A.2.a, b, c, d, or e of this provision, the insurer shall pay an amount not less than the reserve on the policy, together with the reserve for any paid-up additions thereto and any dividends standing to the credit of the policy, less any indebtedness to the insurer on the policy, including interest due or accrued.

4. In the event of death as to which there is an exclusion or restriction pursuant to subparagraph (b) of paragraph (3)(B), the insurer shall pay the greater of:

- a. the amount specified in the preceding paragraph; or
- b. the amount of the gross premiums charged on the policy less dividends paid in cash or used in the payment of premiums thereon and less any indebtedness to the insurer on the policy, including interest due or accrued.

5. None of the provisions of 5701.A.5 shall apply to policies issued under Sections 253 and 162E, nor to any accidental benefits in the event such death by accident or accidental means included in a life policy.

B. Senate Committee Amendment Number 3

- 1. The Legislative intent of this Amendment, as evidenced by Industry and Committee hearings, was that it should apply only to the two immediately preceding unnumbered paragraphs so that a reduction not to exceed the percentages of the reserve, computed

in accordance with Part 5 of the Code, could continue to be taken on funeral policies.
Note reference to Sections 253 and 162 E.

§5703. Rider or Endorsement

A. We believe that these policies can be made acceptable more easily by the use of a rider or endorsement. For your guidance, we have reproduced below a form of rider or endorsement which will accomplish the purpose.

NOTE: The language which we have suggested is not intended to preclude your substituting any appropriate language which is substantially similar in context.

B. If the language of the rider or endorsement which you intend to use is identical with that suggested, you may issue policies, already approved, containing such rider or endorsement, before sending them to this Department for approval. Provided, however, that such rider or endorsement must be sent for approval within 30 days of the date of this Directive, and provided further, that if the language suggested is not used, then prior approval must be obtained before policies may be issued.
